

## QWAY HEALTHCARE ANNOUNCES NEW AGREEMENT WITH A HEALTHCARE PROVIDER USING EPIC FOR MOBILE WORKFORCE SERVICES

FOR IMMEDIATE RELEASE: **4th OCT 2023**

(Dallas, Texas) QWay announces a new agreement with a large healthcare provider in the southwest using **EPIC** to provide **Mobile Workforces Services**.

“The continue commitment by EPIC Healthcare clients around the United States shows QWay experience and expertise in EPIC as the strategic partner for Mobile Workforce services in the world,” note **Harish Kannan – COO/Cofounder of QWay Healthcare**. “QWay continues to invest in the EPIC space by bringing on more qualified EPIC experts to bring a huge benefit to the EPIC market. We are looking forward to being the number one supplier of mobile workforces’ services for decades to come.”

### **About QWay:**

QWay Healthcare is a leading provider of a certified mobile workforce that meets the unique revenue cycle management needs and challenges of healthcare providers across the United States with 13 years of experience and over 1100+ employees. With over 43+ billing systems and specialties, QWay aims to administer medical billing challenges and lead insights-driven strategies for a prompt and optimized payment flow. We believe in operational excellence, cultural openness, gender equality, customer success, and quality-driven processes and seek to create a collaborative space with inclusivity and accessibility. QWay is marching ahead with workforce development for a redefined experience.
